

‘The Beamer Trophy’

Presented by Brant Gamma

(in memory of her beloved mare Beamer)

Beamer was a 15.2 hand, chestnut, thoroughbred, mare, granddaughter of Whirlaway, who had many jobs before beginning her eventing career with Brant Gamma, a frequent photographer at the Park. She won multiple CDCTA Horse of the Year awards at the Preliminary and Training levels. Never finishing lower than third place, Beamer was Area II and USCTA Preliminary Mare of the year, taking Brant to Master Amateur Preliminary Rider of the Year. She continued to win and achieve gold medals and awards at the Intermediate level including Mare and Horse of the Year.

After her stellar competitive career, she went on to have 3 lovely foals, one of which is Erin’s Shenanigans, (by Erin Go Bragh), now owned by Christine Phipps and at 22, was 4th in a training division at Southern Pines Horse Trials this spring, and is competing at Longleaf Pine Horse Trials this weekend with Calli Merron

The Beamer Trophy was originally presented at Stuart Horse Trials (NY). When Stuart Horse Trials ceased to run, the award moved to Longleaf Pine Horse Trails, where Beamer won her 1st Preliminary.
