

Carolina International Course Designer Ian Stark to Visit the Park in February

Raeford, North Carolina - January 4, 2016 - Preparations for the 2016 Cloud Eleven ~ Gavilan North, LLC Carolina International, which runs March 24-27, continue at full steam. Cross Country Course Designer Ian Stark will be at the Park February 1-3, for a site visit and to continue making plans for the international and upper level tracks. For the 2016 competition, Stark will utilize new routes and questions to test the scope and accuracy of North America's best horses and riders. Additionally, this year's courses will feature the Horse Park's new water complex in the bank field which broke ground in December.
