

Please Join Us for a Cross Country Course Walk with Ian Stark

The Carolina Horse Park is preparing to host the 3rd annual Carolina International CIC3* on March 24-27, 2016. Ian Stark, internationally known course designer and European & World Champion, has been hired to design major changes to the cross country courses and his work is well underway. The Carolina International is a key preparatory event for the August 2016 Rio Olympics and we are working hard to ensure our courses offer the required technical questions and challenges for the multitude of horse and rider combinations striving toward the podium in Rio!

Lefreda Williams is excited to offer a complimentary course walk on Tuesday, February 2nd at 1:00 PM hosted by Ian himself. The rain date will be Wednesday, February 3rd at 10:00 AM if need be. You will have the opportunity to hear his insights and to learn from the expert what it takes to design a world class cross country course. We will have another walk in early March to see the continued progress of the building.

Bring your dogs on leash and let's walk off some of those holiday pounds. We will leave from the Park office promptly at 1:00. Please wear good walking shoes and dress for the weather.

This is a not to be missed opportunity!
