CHP AT A GLANCE

Welcome to the Carolina Horse Park Foundation, a 501(c)(3) nonprofit, with 315 acres of equine excellence and natural beauty. Since our establishment in 1998, we have been driven by a passion for horses, a commitment to the community, and a responsibility to the natural environment.

IMPACT

The annual economic impact generated by the Carolina Horse Park events for the Sandhills region is estimated to be **\$23,000,000**. Our influence includes the enhancement of land values in Raeford, NC, and the preservation of invaluable acreage for equine and recreational purposes.

MISSION

The Carolina Horse Park Foundation strives to preserve our acreage of dedicated open space, protect the natural wildlife habitat, foster economic growth and strong community relations, offer a variety of educational and recreational opportunities, and provide a premier equestrian competition facility.

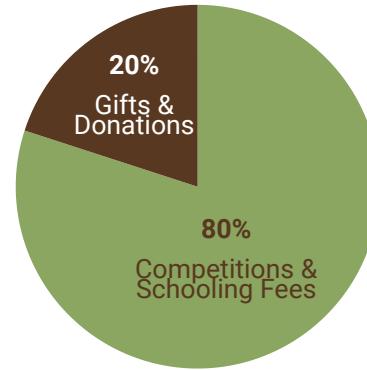

BECOME A PATRON OF THE PARK

80% of the Park's revenue comes from competitions and schooling fees.

20% of the Park's revenue is raised through gifts and donations

Our current financial status enables us to meet annual operational costs. Our strategic goal is to increase fundraising from 20% to 30% of total revenue annually. Achieving this target will empower CHP to:

- Build for long-term sustainability
- Stabilize funding streams
- Invest in capital projects
- Plan confidently for the future
- By strengthening our fundraising capacity, we position CHP to grow and serve our mission more effectively in the years ahead.
