More than horses...

The Carolina Horse Park is proud to be a place where community comes together in many ways. While we are known for world-class equestrian sport, we also host a wide variety of non-equestrian and community-focused events throughout the year.

From Friends & Neighbors Day at the Park and canine agility events, to educational programs and family-friendly experiences, the Park is an open, welcoming space for everyone. These events help connect our neighbors to the land, outdoor, and each other – all while supporting the Carolina Horse Park's mission as a 501(c)(3) charitable Nonprofit Corporation.

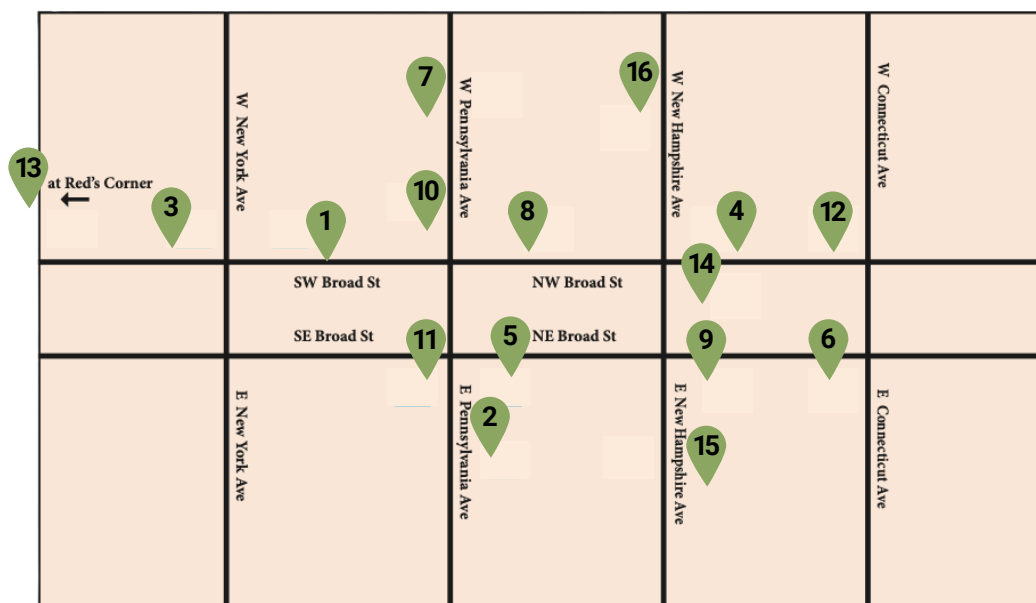

We invite you to explore the ponies, enjoy the community, and discover all the ways the Park is more than a horse show venue.
